April 2015

"Dose of Wisdom"

Mark 16:1-8

1When the Sabbath was past, Mary Magdalene and Mary the mother of James and Salome bought spices, so that they might go and anoint him. 2And very early on the first day of the week, when the sun had risen, they went to the tomb. 3And they were saying to one another, "Who will roll away the stone for us from the entrance of the tomb?" 4And looking up, they saw that the stone had been rolled back—it was very large. 5And entering the tomb, they saw a young man sitting on the right side, dressed in a white robe, and they were alarmed. 6And he said to them, "**Do not be alarmed. You seek Jesus of Nazareth, who was crucified. He has risen; he is not here.** See the place where they laid him. 7But go, tell his disciples and Peter that he is going before you to Galilee. There you will see him, just as he told you." 8And they went out and fled from the tomb, for trembling and astonishment had seized them, and they said nothing to anyone, for they were afraid.

April is the month of Holy Week and Easter. Holy Week is the week we remember Jesus life, suffering, passion, death, and ultimately His resurrection! Everything we have been remembering and focusing on for 6 weeks in Lent comes to full explosion during Holy Week and Easter Sunday. The classical name for the Holy Week celebration is the Triduum. This is a definition of the Triduum from Wikipedia; ***Easter Triduum, Holy Triduum, or Paschal Triduum is the period of three days that begins with the Mass of the Lord's Supper on the evening of Maundy Thursday, the vigil of Good Friday and ends with evening prayer on Easter Sunday. It recalls the passion, death, burial, and resurrection of Jesus, as portrayed in the canonical Gospels.*** *(For a detailed look at these services see the attached sheets detailing what each service is about.)* So what happens is that from Maundy Thursday to Easter Sunday it is one entire long service. There is an Invocation beginning the Maundy Thursday service and the Benediction is not spoken over the congregation until the end of Easter Sunday Morning service.

We want to celebrate and remember the services that have been observed in the church for thousands of years to fully understand the significance of the Easter celebration on Sunday morning. This is why we hold the Triduum from Maundy Thursday to Easter Sunday. We walk with Christ through the betrayal, the trumped up trial, the crucifixion, the solemn time Christ is in the tomb, and finally the resurrection on Easter Sunday Morning.

This paragraph is from the paper included later in the Newsletter. **"Sometimes Christians want to focus on Easter and ignore those services leading up to Easter Sunday. However, we are only prepared to celebrate our Lord's resurrection if we have walked the way that led to Easter Sunday. Congregation members are encouraged to view the Triduum – Maundy Thursday, Good Friday and Holy Saturday – as one service and attend it accordingly. The services on these three days will deepen our appreciation of our Lord's sacrifice during Holy Week and will strengthen us in the**

faith. Then, after observing these great events of the Great Week, we will celebrate the victory of our Lord's resurrection on Easter Sunday."

We celebrate with Joy in Jesus that death does NOT have the final word! Easter is all about celebrating with Joy in Jesus that Christ has defeated death forever. That is the Joy of Easter, we have an eternal home! It is our anchor when we lose a loved one. It is our rock and fortress when we face death ourselves. We look beyond death and see our eternal home with Jesus forever! That is our hope and joy and sure confidence in Jesus Christ!

So please take the time this year to celebrate the Triduum and enjoy with full joy the celebration Easter Sunday morning.

Blessings,
Pastor Dose

Mark's thoughts: A Preview of What's Ahead: The Chief Services of Holy Week and Easter

During Lent we prepare to observe our Lord's death and celebrate his resurrection. It is a time of spiritual discipline as we contemplate His sacrifice on the cross. We repent of our sin and seek to grow in the faith. During the season of Lent we are preparing. The season and its mid-week services are moving to a crescendo. They are moving towards **Holy Week**. During Holy Week we will focus with renewed intensity on the death of Christ for us. The eastern part of Christianity has called Holy Week, "the Great Week," because of the great things accomplished by the events we celebrate then.

Holy Week begins with **Palm Sunday**. Following a tradition that began in the fourth century A.D. in Jerusalem, we will process into the church bearing palms as we remember our Lord's entrance into Jerusalem in the week of His passion. Palm Sunday is also called the Sunday of the Passion since on that day we will read the passion account of our Lord. This will provide a "roadmap" of the events we will be observing in the coming week.

Holy Week provides us with the highpoint of the Christian year. The highpoint of Holy Week itself is the Triduum. **Triduum** means "three days." It refers to the last three days before Easter Sunday: Maundy Thursday, Good Friday and the Vigil of Easter on Holy Saturday. The services that occur on these days are in fact considered to be one service that takes place over the course of three days.

Maundy Thursday derives its name from the Latin word for "commandment," *mandatum*. This word is a reference to our Lord's statement at the Last Supper, "A new commandment I give to you, that you love one another, even as I have loved you" (John 13:34). At this service we will again contemplate Christ's gift of the Sacrament of the Altar which He instituted at the Last Supper. We are reminded that through this miraculous meal our Lord gives us the benefits of Good Friday.

The service consists of four parts: the Service of Corporate Confession and Absolution, the Service of the Word, the Service of the Sacrament and the Stripping of the Altar. The Service of Corporate Confession and Absolution signals the end of the Lenten preparations with the absolution and peace of Christ that stand at the center of the Triduum. The Service of the Word focuses on Christ's humble service demonstrated in His washing of His disciples' feet. This servanthood was enacted on the Cross and its benefits are bestowed in the Lord's Supper. The Divine Service culminates with the Lord's ministry to His people through the Sacrament of the Altar.

The depth of Christ's servanthood is demonstrated as the altar is reverently stripped in preparation for the Church's observance of Jesus' death. In this service, the Church and her catechumens begin the journey through the three days of Christ's Passover as she passes from death to life and from captivity to freedom. The Divine Service does not conclude with a Benediction, since the service of the Triduum continues the next day.

On **Good Friday** we pause and consider our Lord's death on the cross. Crucified between two criminals He took our sins upon Himself and died in our place. The darkness and earthquake that accompanied that event (Matthew 27:45, 51) demonstrate the cosmic significance of Christ's death as part of God's end-time action. The Good Friday service includes the Bidding Prayer (a prayer in which the topics for prayer are introduced and then the prayer itself is offered) which is one of the most ancient prayers in the liturgy of the Western Church. It also contains the Reproaches which are the words of the Lord directed against his people, the Church. To this the congregation responds with a plea for mercy. The Passion of Our Lord according to St. John is read.

The **Vigil of Easter** on Holy Saturday is a celebration of the Resurrection of Our Lord and of our Baptism. The Vigil of Easter on Holy Saturday marks the final service of the Triduum – the three

day service that leads up to Easter Sunday. Jesus remained buried in the tomb on Holy Saturday. The apostle Paul says in Romans 6:3-4 that when we were baptized, we were buried with Christ into death. Because of the connection between Holy Baptism and Christ's death, the early Church began the practice of baptizing new Christians on Holy Saturday. On this day when Christ was buried in the tomb, Christians were buried with Christ into His death through the waters of Holy Baptism. By at least the early third century A.D. Christians began observing the Vigil of Easter in connection with these baptisms (for more background on this see the post "The surprising history of Romans 6 and baptism in the early Church").

At the same time Holy Saturday stands on the verge of Easter Sunday and is celebrated as the first service of the resurrection. In the Jewish reckoning of time used in Jesus' day, a new day began at sunset. The church in its liturgy has adopted this as well, and therefore Saturday evening begins the celebration of Easter. Baptism on the evening of Holy Saturday reminded Christians that as Paul says in Romans 6:5, their own baptism provided the guarantee that they would also share in Christ's resurrection when He returns in glory on the Last Day.

The Vigil of Easter falls into six parts. In the Service of Light the Paschal Candle is lit and processes into the nave of the darkened church. Individual candles are then lit from the Paschal Candle. The light that pierces the darkness and emanates out among the people represents the resurrection of Jesus Christ that has pierced the darkness of death and brought the hope of resurrection and everlasting life to all who believe in Him.

In the Service of Readings we hear recounted God's saving acts in the Old Testament that prefigured and pointed forward to Christ's great victory that he shares with us through Holy Baptism. In the Service of Holy Baptism we hear Romans 6 read and then renew our baptismal vows. In the Service of Prayer we pray the Litany of the Resurrection which recounts our Lord's death and resurrection. In the Service of the Word the Easter Gospel is read and we hear the first news of our Lord's resurrection, which points us forward to the full and joyous celebration that will follow in the morning on Easter. Finally, in the Service of the Sacrament the risen Lord comes to us in His true body and blood as He gives us a share in His death and resurrection for the forgiveness of our sins.

Then, on Easter Sunday we will celebrate the Feast of the Resurrection of Our Lord. After observing His death *for us* and the means through which Christ gives us a share in that death, we will then rejoice in His resurrection from the dead and celebrate the fact that through His resurrection we have the assurance that He will raise us up on the Last Day.

Sometimes Christians want to focus on Easter and ignore those services leading up to Easter Sunday. However, we are only prepared to celebrate our Lord's resurrection if we have walked the way that led to Easter Sunday. Congregation members are encouraged to view the Triduum – Maundy Thursday, Good Friday and Holy Saturday – as one service and attend it accordingly. The services on these three days will deepen our appreciation of our Lord's sacrifice during Holy Week and will strengthen us in the faith. Then, after observing these great events of the Great Week, we will celebrate the victory of our Lord's resurrection on Easter Sunday.

Saving taxes on your IRA or 401K plan at your death

Do you know that your IRA or 401K plan is subject to state and federal income tax when it is transferred to your children at your death or at the second death of you and your spouse? Your children can spread out the distribution over their life expectancy but many of them pay the tax and take out this money in a lump sum.

You can avoid all of the income tax on the distribution of these assets by naming a charitable remainder trust as the beneficiary of these accounts instead of your children. The LCMS Foundation can serve as the trustee of these types of trusts. Your children would receive a fixed payment from this type of trust for 20 years. At the end of the 20 years the trust principal would go to a list of your favorite ministries.

If you would like more information about this type of tax-wise planning, please contact me.
